REPRESENTATIVE DEMOCRATS

Of Marion County in Convention at the Courthouse Today

W. S. Bullock, chairman of the county executive committee, called the meeting to order shortly after 11 o'clock.

On motion of Ed L. Wartmann, W. S. Bullock was made temporary chairman and W. W. Clavett secretary.

There were no contesting delegates. Following are the delegates:

Ocala—D. E. Melver, Samon Benjamin, W. S. Bullock, E. T. Helvenston, C. M. Brown, William Hocker, Geo. R. McKean, J. G. Spurlin, C. L. Sistrunk, R. A. Burford, F. A. Teague, Otto Mente, N. M. Allred.

Shady Grove—S. R. Pyles.

Reddick—L. S. Light, B. I. Hull.

Cotton Plant—M. S. Moser, H. W. Long, C. B. Miller, H. M. Barnett.

Precinct 5.—R. M. Strickland, W. A. Butler, Wesley Nabbs, C. Campbell, T. F. Bryan, J. C. Osteen, J. W. Malphurs, C. H. Hargraves.

Summerfield—S. N. Dillard.

Lake Weir—E. L. Carney.

Moss Bluff—W. W. Jackson.

Grahamville—John M. Graham, Allen Gibson.

Linadale—C. A. McCrary.

Citra—E. L. Wartmann, A. C. White.

Anthony—D. A. Smith, C. C. Priest.

Stanton—Alex Wynne.

McIntosh—D. H. Irvine, W. J. Chambers, W. E. Allen.

Butchton—G. J. Strozler, B. R. Blitch.

Dunnellon—Maurice Strauss, W. H. Stevens.

Eureka—R. W. Holliday.

Kendrick—E. C. McLeod.

Bellevue—D. C. Stanley.

County Commissioner D. L. Morgan, from the east side of the river, was in for a fair deal and no gouging. He wanted Ocala to have what she was entitled to but did not want her country cousins' rights restricted a hairbreadth, and for them he would stand, tooth and toenail.

Strauss was in favor of a delegation of nine to select congressional and state delegates. It was so slow in receiving a second that when Will Hocker finally offered a second it was ruled out.

Strozler moved that a delegate from each precinct present retire and name delegates to conventions.

Then came Mr. Irvine's amendment to name them from the floor.

Then Payne's amendment to Irvine's, which was to name and vote for them.

There is a depth of wisdom in the remark of George Eliot that we cannot choose happiness either for ourselves or others, for we cannot tell where it will lie. We can only choose whether we will indulge ourselves in the present moment or whether we will renounce that for the sake of obeying the divine voice within us—for the sake of being true to all the motives that sanctify our lives.

Working Night and Day

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. Every pill is a sugar-coated globe of health, that changes weakness into strength, listlessness into energy, brain-fog into mental power. They're wonderful in building up the health. Only 25 cents per box. Sold by Garrett & Geng, Ocala.

"DeWitt's Little Early Risers are the finest pills I ever used." —D. J. Moore, Millbrook, Ala. They quickly cure all liver and bowel troubles. Anti-Monopoly Druggists.

Evie water drinks at the soda fountain of the Anti-Monopoly Druggists. Only temperance drinks sold. No wine. Pure unfermented grape juice. The popular drink at their fountain.

Building More Houses

W. C. Bull is erecting two new glass-covered houses for the Ocala Greenhouse people. The new houses will be 11x20 feet—a propagating house—and 11x65 feet—a rose house for growing plants to supply bloom. This makes four houses the firm has, and with them it will probably be able to supply the demand this winter.

VERY CONSPICUOUS

Shoes are always very conspicuous and it pays to wear good shoes. It pays to have your feet trimly dressed, if there is a hole in the inside of your glove.

We sell a shoe at \$2 which we think excellent for ordinary purposes. We have them in ladies' shoes, both high and low, black and tan, and in gents' also. Call or visit kid, lace or congress. Give me a call at the old stand. G. A. Nash.

A MAN Under the Bed

Would not create such an excitement as the sight of our great display of bargains is creating. It is causing great commotion among buyers and consternation among jealous competitors. We are not under the bed, but we are selling at UNDER BED ROCK PRICES.

Hence the rapture of buyers and the roars of competitors. Do you want a little excitement? Take in our store. Can you keep away from our prices? They speak for themselves. Don't let the sun go down without bringing your five cents to our store and putting us to the test.

DON'T GO TO BED

And dream of coming tomorrow. Tomorrow the bargain birds may be all flown away and leave you the empty nest. Come, come today. Come early. Bring your neighbor. Do somebody a good turn and put him or her on the track of an opportunity as rare as snow in July.

Our stock consists of dry goods, clothing and shoes, ladies' and gents' furnishings a specialty. Special bargains in gents' straw hats and ladies' pique skirts for the next ten days.

The "Odorless" is the only refrigerator that will keep food free from contamination. Fresh food will not taint nor spoil by absorbing the smell of odorous fruits and provisions, as invariably occurs with other so-called refrigerators.

The "Odorless" is built strictly upon scientific principles, and consequently is a Scientific Preserver of Food. The circulation of air is so perfectly arranged that odors are carried off and out and do not come in contact with the ice as in all other Refrigerators.

If you are in need of a Refrigerator, or if you are old and unsatisfied, call and see our stock of The "Odorless" and if you do not care to buy now it will interest you.
